Was Colonial Secretary at Cape of Good Hope, and died at sea 6th April, 1836. On the 19th January, 1812, he was one of the officers who volunteered and led the stormers at the taking of Ciudad Rodrigo, and was fortunate enough to come out unscathed, although one of the first to enter that deadly pass. At the storming of Badajoz on the 6th April, 1812, his name again stood on the list of volunteers for the forlorn hope, but as it was claimed by a senior officer of the division, he was obliged to limit his expectations to one of the posts of honour with the storming party.</p>

PRICED CATALOGUES

of Coins and Medals.

*A*FTER each sale these catalogues are issued with the prices realised printed in the margin opposite each lot, thus giving at a glance a reliable guide to values.

The final test of value must always be auction prices rather than the figures given in books of reference, for changing times and fashions soon render the latter obsolete and misleading

On the average we issue twelve Coin and Medal catalogues a year, some of which are usually of sales of important collections. The **priced catalogues** are posted to subscribers as soon as ready, usually about a week after the date of sale and the subscription is

ONE GUINEA per annum.
